

The Sukhothai Bangkok Pet Policy

We are delighted to welcome you and your pet as our guests. To ensure a comfortable stay for yourself and fellow guests, we would appreciate it if you would please review the following guidelines:

- The charge of THB 1,500 net per night will be charged per one pet.
- The Sukhothai Bangkok is prepared to accommodate your pet in the room provided that your pet weighs less than 77 lbs (approximately 35 kg) and is fully vaccinated, trained, appropriately restrained by you and that your pet complies with local legislation requirements.
- Your pet must be kept on a leash when it is in the hotel or on hotel property, unless it is in your room.
- Please do not leave your pet unattended. If you require a pet-sitter or pet supplies, please contact our Guest Service with advance notice by pressing Sukhothai Service button on your in-room phone. This service is subject to availability and extra charges.
- Pets are not allowed in any Food and Beverage outlets, the Health Club or pool area of the hotel. These exclusions do not apply to guide dogs.
- You are responsible for cleaning up after your pet on the hotel property and in the neighborhood areas. Two designate locations with the signage “Clean up after your dog” will be presented at the hotel lawn and one at Café Tamarind. At the station, trash-bag and trash-can will be provided for you to apply.
- Should additional cleaning of your room be required, one-night additional charge will be applied to your account upon departure.
- You are fully responsible for any physical harm or structural/equipment damages your pet might cause (e.g. biting or chewing) to the hotel property, staff and/or guests.
- Any disturbances, such as barking, must be curtailed to ensure other guests are not inconvenienced.
- Please contact Guest Service to arrange for a convenient time for servicing your room, as no attempt will be made to enter if there is a pet in the room unless the owner is present. The pet owner must be in the room during service.
- In the unfortunate event your pet falls ill, you are responsible for arranging treatment for your pet. The hotel may, at its discretion, assist you in these circumstances.

Thank you for your cooperation and we hope you have a pleasant stay with us.
